

Pacific Northwest 4-Wheel Drive Association  
NAMRC 2019

In January, our newsletter, Tri-Power went on line. Those that requested and those without electronic access, will continue to receive a printed copy. The Board of Directors will review the results of the change at the Board meeting later this year.

The 2019 Trail Jamboree was well attended. Many of those were there for the first time but promised to return. There are several trails offered with association members hosting. There were representatives from International 4 Wheel Drive Association that taught a couple of seminars. They hope to be back again next year. Registration for the 2020 event will open in March, just watch our website [www.pnw4wda.org](http://www.pnw4wda.org)

Summer Convention, our one competitive event was hosted this year by the Countyline 4 Wheelers. Participation is increasing each year. Many second and third generation folks attend. Check out our website for pictures from the event. It's a great family fun weekend.

Operation Shore Patrol, our annual beach cleanup is the third weekend in September. This year it is a cooperative effort with the Coastal Conservancy Cleanup. Each of our regions has a section of beach so that the entire Washington coastline is cleaned.

Trail Counters are still in use and continue to provide good and useful information.

February 7-9, 2020 is the date for the 60<sup>th</sup> Anniversary of the PNW4WDA. Our 60<sup>th</sup> Winter Convention will be hosted by Region 6. Agate Beach, Oregon is the location for the meeting. More details are available at [www.pnw4wda.org](http://www.pnw4wda.org)
